ABOUT TOGO'S EATERIES, LLC

TOGO'S Sandwiches was founded in 1971 in San Jose, California, by a young college student with a large appetite and only a little money who was looking to make sandwiches the way he liked them — big, fresh, and meaty. Today, that spirit of the founder and the original sandwich shop continues. Like the first days of the brand, TOGO'S products are still made with only the highest quality ingredients, including fresh artisan breads, hand-sliced

premium pastrami, turkey, and roast beef, as well as Hass avocados hand-mashed in-house daily. TOGO'S is a franchised business that offers entrepreneurs a terrific opportunity to own their own business. With over 170 locations open and under development throughout the West, the brand is a restaurant staying ahead of the pack.
